

DESCRIPTION

- ▶ Storage in any workspace is generally at a premium, besides the lack of spaces to relax. Why not included an upholstered alcove to create some more design appeal and functionality to your space?
- ▶ Nestle-space Pods can be added to your Agile Storage Wallspace, to allow for yet another Agile working space, and a quiet comfortable one at that!
- ▶ Our Modular Storage Wall can be solid fitted or be freestanding – used as a room divider in an open office layout.
- ▶ Being fully modular means that each double door module can be adapted to house most things requiring a tidy storage space.
- ▶ Use Modular Storage Wall for:
 - Coat cupboards
 - Personal-belonging lockers
 - Stationary storage
 - Promotional material storage
 - Uniform stock storage
