CARE & MAINTENANCE

Annual Check:

At least every 12 months, ensure all the mounting screws attaching desk/table tops, drawer runners and door hinges are tightened firmly.

Surface Care:

Agile-Xtra desks and tables are supplied standard with melamine tops. Clean tops regularly by wiping them down with a damp cloth and a general purpose cleaner/detergent. For best results use streak free glass cleaner.

Stain and Mark Removal:

- ▶ Stubborn marks or stains - apply Handy Andy or diluted Janola (1 part to 3 parts water), then wipe down with a warm damp cloth.
- ▶ Smearing, finger marks, marking from cold or hot dishes, stickiness - apply 1 or 2 applications of acetone (available at pharmacies) and wipe over with dry cloth.
- ▶ Felt pen or dry marker - use methylated spirits or acetone
- ▶ Paint - use acetone or thinners (from a paint shop)
- ▶ Glue - contact type - use Ados Solvent N (from a paint shop)
- ▶ Follow on with streak free glass cleaner to remove any residues.

Frame Care:

Keep the metal frame of your table or desk clean by wiping it down with a damp cloth and a general purpose cleaner/detergent. For best results use streak free glass cleaner.
