

DESCRIPTION

- ▶ Most workplaces need a central point for the photocopier/printer. Storage in any Workspace is generally at a premium. Why not consolidate it all into one place? Our Modular Storage WallSpace can be solid fitted or be freestanding – used as a room divider in and open office layout.
- ▶ Being fully modular means that each double door module can be adapted to house most things from coats thru to company award trophies in display shelves.
- ▶ Use Media Modular Storage Wall for:
 - Coat cupboards
 - Personal belonging lockers
 - Stationary storage
 - Promotional material storage
 - Uniform stock storage
 - Teachers resources
 - Options are endless
