

SUSPENDED ACOUSTIC DIVIDERS- CASCADE SUSPENDED ACOUSTIC PANELS

DESCRIPTION

- ▶ A fixed or suspended Acoustic partition system, improving your internal environment by lowering reverberations and background chatter.
- ▶ Easily retrofitted to existing spaces – create the feel of privacy in open-plan areas!
- ▶ Can be installed in a number of ways – Suspended top only, Fixed top/Suspended base/Suspended Top & Bottom
- ▶ Cascade panels also available:
 - ▶ Cascade Folding Screens- designed with carefully placed cuts to create texture & volume, creating clever 3D geometric
 - ▶ Cascade Expanding Screens- created with a kinetic pattern of cuts, rather than cut-outs, it allows the screen to expand upto 100% of the panel width.
 - ▶ Cascade Static Cutout Panels – with heat stamped etched texture designs for added aesthetic appeal. Can be coupled with other Panels to create maximum acoustic absorption as well.
